Osmose Design

site Portland, Oregon.
standout A couple's interest in art and design informs the master bathroom's hand-painted mural and the master bedroom's shoe storage.

site Miami Beach.
standout Rosewood veneer looks rich but beachy, paired with orange-veined marble in the powder room and limestone in the master bathroom.

Sand Studios

bestofyear MERIT KITCHEN/BATH

Workshop/APD

site New York.
standout A loft's industrial heritage comes through in the master bathroom's patinated-steel shelving—warmed up by teak and split-faced limestone.
